HP Color LaserJet Pro MFP M477 Series

A fast-performing, unmatched colour MFP with robust security and innovative toner for more pages.²

Unmatched print, scan, copy, and fax performance plus robust, comprehensive security for how you work. This colour MFP finishes key tasks faster and guards against threats.¹ Original HP Toner cartridges with JetIntelligence produce more pages.²

HP Color LaserJet Pro MFP M477fnw

HP Color LaserJet Pro MFP M477fdw

Speed through more tasks. Keep data protected

- Scan digital files directly to email, USB, network folders, and the cloud with preloaded business apps.³
- Grab pages and go—without waiting around. This MFP wakes up and prints faster than the competition.¹
- Breeze through multipage documents with two-sided printing that's faster than the competition.¹
- Control access to print jobs and help keep printing safe with security features like LDAP authentication.

Easy management. Efficient printing

- Easily manage print jobs directly at the MFP—just tap and swipe the 10.9 cm (4.3-inch) touchscreen.⁵
- Easily print Microsoft® Word and PowerPoint® documents—now directly from your USB drive.⁴
- Easily manage devices and settings using HP Web Jetadmin with a suite of essential management features.⁶
- Print using less energy than competitors—enhanced by Original HP Toner cartridges with JetIntelligence.⁷

More pages, performance, and protection

- Get the most prints for your money—with Original HP High Yield Colour Toner cartridges with JetIntelliaence.²
- Count on professional quality at high speeds with HP ColorSphere 3 toner.
- Help ensure you're getting the authentic HP quality you paid for with innovative anti-fraud technology.
- Print right away with preinstalled toner cartridges. Replace them with optional high-yield cartridges.

Stay connected with secure mobile printing options

- Easily print from a variety of smartphones and tablets—generally no setup or apps required.8
- Count on wireless direct printing in the office—from mobile devices—without accessing the company network.¹⁰
- Help workers print with just a touch of their NFC-enabled mobile device to the printer—no network needed.¹¹
- Easily access, print, and share resources with Ethernet and wireless networking.9

Based on HP internal testing of top three leading competitors' first page out from sleep mode and duplex print and copy speed completed 8/2015. Subject to device settings. Actual results may vary. For details see https://docs.org/licalims 8 ased on cartridge yields for HP 305X compared with HP 410X Original HP Laser Jet Toner Cartridges. For more information, see https://docs.org/licalims/ 8 ased on cartridge yields for HP 305X compared with HP 410X Original HP Laser Jet Toner Cartridges. For details, see https://docs.org/licalims/ 8 may require registration. App availability varies by country, language, and agreements and requires a firmware upgrade. For details, visit hpconnected.com 6 HP Web Jetadmin is free and available for download at hp.com/go/webjetadmin 7 Based on HP testing using the ENERGY STAR® program's Typical Electricity Consumption (TEC) method or as reported in energystar.gov of top three leading competitors as of 8/2015. Actual results may vary. For details see https://docs.org/licalims/ 8 Wireless operations only. App or software and HP ePrint account registration may also be required. Some features require purchase of an optional accessory. Learn more at https://docs.org/licalims/ 8 Wireless performance is dependent on physical environment and distance from access point, and may be limited during active VPN connections. ¹⁰ Mobile device needs to be connected directly to the Wi-Fi network of a wireless direct-capable MFP or printer prior to printing. Depending on mobile device, an app or driver may also be require

Product walkaround

- 1 50-sheet automatic document feeder (ADF) with single-pass, two sided scanning
- 2 Flatbed scanner: up to 216 x 297 mm paper
- 3 Intuitive 10.9 cm (4.3inch) colour touchscreen (tilts up)
- 4 Easy-access USB port
- 5 150-sheet output bin
- 6 Built-in wireless direct printing¹ and NFC touch-to-print²
- 7 Front door release button (access to HP JetIntelligence Toner cartridges)
- 8 1200 MHz processor, 512 MB memory
- 9 Automatic two-sided printing³
- 10 50-sheet multipurpose tray 1
- 11 250-sheet input tray 2
- 12 Rear door (provides access to print path)
- 13 Built-in wireless networking⁴
- 14 Convenient front power on/off button
- 15 Telephone "line out" port
- 16 Fax "line in" port
- 17 Host USB port to enable job storage⁸
- 18 Hi-Speed USB 2.0 printing port
- 19 Gigabit Ethernet network port

¹ Mobile device needs to be connected directly to the Wi-Fi network of a wireless direct printing-capable MFP or printer prior to printing. Depending on mobile device, an app or driver may also be required. Learn more at https://dx.ncbi.nlm.nih.gov/business/mobileprinting NFC touch-to-print is supported by the HP Color Laser. Jet Pro MFP M477fdw. Requires a compatible NFC-printing-enabled mobile device. For a list of compatible NFC-printing-enabled mobile device, by a function of the support of the support of the same active VPN connections. ³ Printer requires ePrint account registration. App or software may be required. Wireless operations are compatible with 2.4 GHz operations only. Learn more at https://dx.ncbi.nlm.nih.gov/hpoileprinting \$ Supports the following devices running iOS 4.2 or later: iPad, iPad 2, iPhone (3GS or later), iPod touch (3rd generation or later). Works with HP's AirPrint-enabled printers and requires the printer be connected to the same network as your iOS device. Wireless performance is dependent on physical environment and distance from the access point. ³ Mopria-certified HP printer and mobile device must be connected to the same wireless network or have a direct wireless connection. Performance is dependent on physical environment and distance from the wireless access point. Wireless operations are compatible with 2.4 GHz routers only.

HP Services

Downtime can have serious consequences, so HP provides support beyond the standard warranty. You benefit from reduced risk, maximized uptime, predictable service delivery and no unbudgeted repair costs. Choose from:

Optimized Care (optimum performance and stability): 4 hour Onsite Support, Maintenance Kit Replacement Service, Installation with Network Configuration Service

Standard Care (high level of uptime): Next Business Day Onsite Support, Maintenance Kit Replacement Service, Installation with Network Configuration Service

Basic Care (minimum recommended support): Next Business Day Onsite Support

4 hr Onsite Support: Onsite support within four hours after a service call received within the coverage window

Next Business Day Onsite Support: Onsite service the next business day after the service call is received

Maintenance Kit Replacement Service:

Onsite replacement of your printer's maintenance kit including parts, materials, and labor

Installation with Network Configuration Service: Assembly, network configuration, and basic administrator familiarization

Newsurd using SO/IEC 24734, excludes first set of test documents. For more information, Exact speed varies depending on the system configuration, software application, driver, and document complexity. Plasaryed using SO/IEC 24734, excludes first set of test documents. For more information see bp. com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity. Plasaryed varies depending on the input voltage, system configuration, software application, driver, and document complexity. Plasaryed varies depending on sea resolution, network conditions, computer performance, and application software. First Copy Out and Copy Speed measured using ISO/IEC 29183, excludes first set of test documents. For more information see bp. com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity. Plasaryed on standard ITU-1 test image #1 at standard resolution and MMR encoding, the HP fax device can transmit at 3 sec/page for V.14 and 6 sec/page for V.17. *Wireless operations are compatible with 2-4 GHz operations only, App or software application may also be required. Some features require purchase of an optional accessory. Learn more at hazomiglombiliprinting. Put by cycle is defined as the maximum number of pages per month of imaged output. This value provides a compansion of product robustness in relation to other HP Laserlet or HP Color Laserlet devices, and enables appropriate deployment of printings and MPFs to satisfy or groups. HP Percommends that the number of pages per month of imaged output. Which the stated range or optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period. *Based on HP internal testing of top three leading competitors first page out from sleep mode and duplex print and copy speed completed 8/2015. Subject to device settings. Actual results may vary. For details, see <a href="https
