HP LaserJet P3005 Printer series

Enable productivity with fast, flexible monochrome HP LaserJet printing. Accomplish more with speeds of up to 33 ppm. Enjoy easy connectivity, integrated full-featured networking, paper handling options and best print quality with true 1200 dpi.

HP LaserJet P3005 Printer

HP LaserJet P3005d Printer

HP LaserJet P3005n Printer

HP LaserJet P3005dn Printer

HP LaserJet P3005x Printer

The optimal printer for workteams (up to 12 users) in small, medium, and enterprise companies, and especially those in document-intensive professions like accounting, human resources and law. Fast, flexible and reliable, this printer is ideal for producing business documents.

Enable your workteam to be more productive with fast, monochrome LaserJet printing.

- Experience fast print speeds up to 33 ppm and a first page out in 9.5 seconds from Powersave with Instant-on Technology
- Enjoy Hi-Speed USB 2.0 connectivity and integrated full-featured networking 1 for easy workteam sharing
- A 100-sheet multipurpose tray supports a wide range of media
- Automatic two-sided printing ² offers greater finishing capabilities
- A fast 400 MHz processor and expandable memory up to 320 MB handle large, complex files easily with a quick return to the
 application

Easy, low maintenance printing that lets you focus on your business.

- Save time and experience fewer interruptions by increasing the paper input capacity to 1100 sheets with a 500-sheet input tray ³
- Simplify print job management with an intuitive, two-line control panel, and easy-maintenance print cartridge
- Proactively manage your printer and save valuable IT time with HP Web Jetadmin: remotely install, configure, update firmware and enable alerts to reduce downtime
- Experience simple printer and supplies management with HP Easy Printer Care Software 4

Create business documents that make a great impact with true 1200 dpi print quality.

- Choose reliable high-yield HP LaserJet print cartridges 5 which deliver professional quality all the time and work with your printer for
 precise operation
- Count on consistent results at fast speeds with HP toner, designed specifically for the printer and engineered for outstanding print quality and high-speed performance
- Create impressive documents with HP ProRes 1200 (true 1200 x 1200 dpi resolution) at full engine speed for sharp black text, fine lines and clear detail

¹ Integrated networking standard on HP LaserJet P3005n/dn/x models only

 $^{2 \; \}text{The automatic two-sided printing unit is only available on the HP LaserJet P3005d/dn/x models} \\$

It is not an optional accessory that can be added on to other models

³ The 500-sheet input tray is standard on the HP LaserJet P3005x; it is an optional accessory on HP LaserJet P3005/d/n/dn

⁴ Provided on CD

 $^{^{\}mbox{5}}$ Using genuine HP supplies ensures availability of all HP printing features.
