## ZE511 & ZE521 Recommended Spare Parts

The items listed below represent commonly replaced components. The quantities shown are recommended to support every 100 printers in service. The recommended quantity can vary depending on the ambient operating conditions, how well the printer is maintained and the quality of media and ribbons in use.

### ZE511 Recommended Spare Parts

| Quantity Per 100 | Item Description                       | Part No.     |
